

Made to Order

Simple - Lightweight - Modular

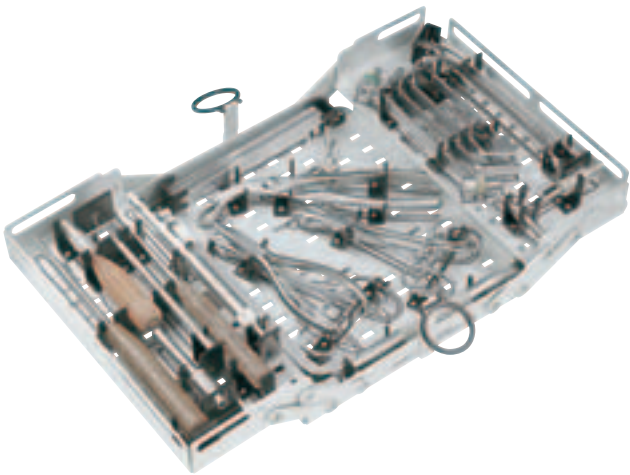

The TC-100 Small Fragment Set is made to order, simple, lightweight, and modular

Drill Caddy

- Hinged design allows for compact fit within the tray

Screw Caddy

- Lightweight, self-contained screw caddy for ease of use in the O.R. and throughout the sterilization process
- For self-tapping and non-self-tapping designs
- Screw gauge for quick and easy measurement
- Basic and deluxe configurations available

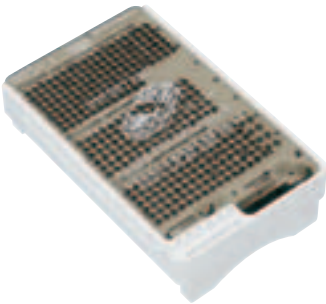

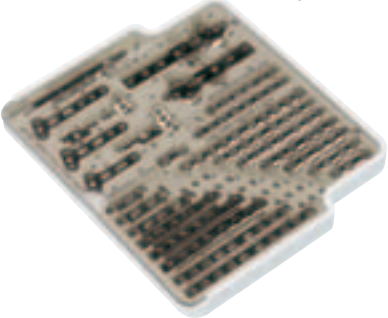

Plate Caddy

- Lightweight, self-contained plate caddy for ease of use in the O.R. and throughout the sterilization process
- Specialized caddies for TC-100®, Provisional® Fixation and Contour® Plus plates
- Designed for quick and clear identification
- Basic and deluxe configurations available

Outer Case

- All four components fit conveniently in one outer tray
